Human Body 101

How Breathing Works

Human Body Systems Project

- Visit <http://www.innerbody.com/> and complete the Body Systems worksheet
- Find (or finish!!!) your Heredity Project paper and revise it to include information about the body systems affected by the trait you chose.
 - Advanced: Inclusion of 4 or more body systems with explanation of how the systems are integrated
 - Proficient: Inclusion of 2-3 body systems with explanation of the systems are integrated
 - Developing: Not an option
