

# Entry Task: Level Your Desk!

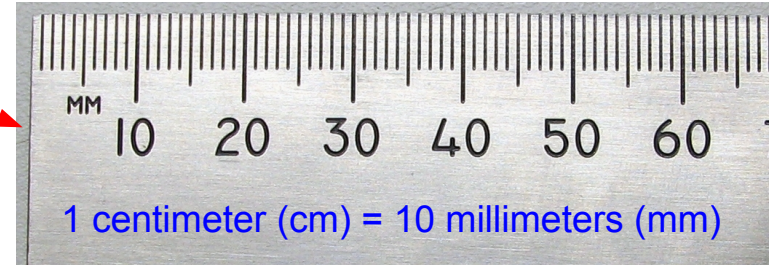

Your mission: level your desk by placing index cards under the desk legs as needed.

Demonstrate your desk is level by:

- Using a level
- Checking whether a resting marble will roll on the desk
- Using a level app on a phone

Ruler

Report how many index cards it takes to level your desk:

Desk #	Front left leg	Front right leg	Back left leg	Back right leg
# of cards				
Thickness of cards (mm)				

Bonus: Find the thickness of a single notecard
